Dear Parent/Guardian:

We need your help! Many of our high school junior and senior students choose not to ride a school bus to and from school each day yet we reserve a seat for them "just in case" they should chose to ride.

In an effort to be more efficient with our high school transportation services, we are asking you to fill out the bottom portion of this letter and return it to your child's school **no later than May 30, 2014**. The form can also be found online in the Parent Resource and Transportation areas of our Web site ([www.swcs.us](http://www.swcs.us)).

The **OPT-IN** choice means that your 11<sup>th</sup> and/or 12<sup>th</sup> grade student will have a daily seat on a school bus and that your child will be occupying that seat on a routine basis during the **2014-2015 school year**.

Otherwise, your 11<sup>th</sup> and/or 12<sup>th</sup> grade student would not have a daily reserved seat on a school bus BUT should your child want or need a seat at any time during the next school year, they could go to their school office and request a bus seat be reserved for them. This will take approximately 24 hours to process.
